This is surf instruction, however we are unable to predict the weather and the ocean's conditions. There will be times that the ocean will not produce sizeable waves that can be utilized. However, there are other activities to do such as Stand Up Paddleboarding, Skimboarding as well as practicing their paddling skills in the water and pop ups on the beach. If we should have to cancel the weekly sessions due to inclement weather we are unable to make up that day due to our other session weeks being full. The participants safety is of the utmost importance so if we should have to cancel the weekly session for an entire day we will credit you by allowing you a free rental on any day of your choice. (Our Rental fee is \$45/day for Surfboards and \$50/day for SUP.)
